

How we use your medical records

Important information for patients

- The practice handles medical records in line with laws on data protection and confidentiality
- We share medical record with those who are involved in providing you with care and treatment
- In some circumstances we will also share medical records for medical research, for example to find out more about why people get ill
- We share information when the law requires us to do so, for example, to prevent infectious diseases from spreading or to check the care being provided to you is safe
- You have the right to be given a copy of your medical record
- You have the right to object to your medical records being shared with those who provide you with care
- You have the right to object to your information being used for medical research and to plan health services
- You have the right to have mistakes corrected and to complain to the Information Commissioner's Office. Please see the practice privacy notice on the website or speak to a member of staff for more information about your rights
- For more information ask at reception or visit our website
